

WHAT IS THIS LAWSUIT ABOUT?

The Allegations and Status of the Case

On January 29, 2015, City of Warren Police and Fire Retirement System filed a complaint for violations of federal securities laws against Defendants. Two related cases, making substantially similar allegations, were subsequently filed in this Court, captioned *Arkansas Teacher Retirement System v. A10 Networks, Inc., et al.*, Case No. 1-15-cv-278575 and *Kaveney v. A10 Networks, Inc., et al.*, Case No. 1-15-cv-279006. On June 1, 2015, the Court entered an Order Relating and Consolidating Cases and Appointing Counsel to Lead Efforts and Coordinate Communications Between Plaintiffs and Defendants.

Plaintiffs, who purchased A10 common stock issued in connection with A10's IPO on or about March 21, 2014, alleged that Defendants issued a materially false and misleading Registration Statement and Prospectus that misled investors regarding A10's revenue growth and increased demand for its products. Defendants deny that the Registration Statement and Prospectus contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Plaintiffs' Consolidated Class Action Complaint for Violations of the Securities Act of 1933 (the "Complaint") was filed on June 30, 2015.

On July 31, 2015, Defendants filed a joint demurrer to the Complaint arguing a failure to state facts sufficient to constitute a cause of action. In addition, A10 and the Individual Defendants filed a motion to strike. Plaintiffs filed their oppositions to both motions on August 31, 2015. The Court heard argument on November 6, 2015, and on November 12, 2015, the Court issued its Order Re: (1) Demurrer to the Complaint; (2) Motion to Strike Portions of the Complaint. The November 12, 2015, Order overruled the motion to strike in its entirety and overruled the demurrer except with regard to Plaintiffs' §12(a)(2) claim as asserted against A10, finding that Plaintiffs had not sufficiently alleged that A10 was a statutory "seller," and granted Plaintiffs leave to amend. On November 23, 2015, Plaintiffs filed their First Amended Consolidated Class Action Complaint for Violations of the Securities Act of 1933 (the "Amended Complaint").

On January 8, 2016, Defendants answered the Amended Complaint, generally denying the allegations and asserting various affirmative defenses.

The parties thereafter agreed to attend a mediation session conducted by a third-party neutral, the Hon. Layn R. Phillips (Ret.). Plaintiffs and Defendants submitted and exchanged mediation statements summarizing their respective positions. The mediation session was held on March 22, 2016. While the Settling Parties did not reach an agreement to settle the Litigation at the mediation, the Settling Parties continued their negotiations through Judge Phillips. These efforts culminated with the Settling Parties agreeing to settle the Litigation for \$9,837,500 in cash.

THE COURT HAS NOT RULED AS TO WHETHER DEFENDANTS ARE LIABLE TO PLAINTIFFS OR TO THE CLASS. THIS NOTICE IS NOT INTENDED TO BE AN EXPRESSION OF ANY OPINION BY THE COURT WITH RESPECT TO THE TRUTH OF THE ALLEGATIONS IN THIS LAWSUIT OR THE MERITS OF THE CLAIMS OR DEFENSES ASSERTED. THIS NOTICE IS SOLELY TO ADVISE YOU OF THE PENDENCY OF THE LITIGATION AND PROPOSED SETTLEMENT THEREOF AND YOUR RIGHTS IN CONNECTION WITH THAT SETTLEMENT.

HOW DO I KNOW IF I AM A CLASS MEMBER?

If you purchased or otherwise acquired the common stock of A10 pursuant and/or traceable to the Registration Statement and Prospectus filed in connection with A10's March 21, 2014 IPO, you are a Class Member. As set forth in the Stipulation, excluded from the Class are Defendants and their respective successors and assigns; past and current executive officers and directors of A10 and the Underwriter Defendants; members of the immediate families of the Individual Defendants; the legal representatives, heirs, successors or assigns of the Individual Defendants; and any entity in which any of the above excluded persons have or had a majority interest. The foregoing exclusion shall not cover "Investment Vehicles," which for these purposes shall mean any investment company or pooled investment fund, including, but not limited to, mutual fund families, exchange-traded funds, fund of funds, private equity funds, real estate funds, and hedge funds, in which any Underwriter Defendant or any of its affiliates has or may have a direct or indirect interest or as to which any Underwriter Defendant or any of its affiliates may act as an investment advisor, general partner, managing member, or in other similar capacity, other than an investment vehicle of which the Underwriter Defendant or any of its affiliates is a majority owner or holds a majority beneficial interest and only to the extent of such Underwriter Defendant's or affiliate's ownership or interest. Also excluded is any Person who validly requests exclusion from the Class.

If you are not sure if you are a Class Member, you can ask for free help. You can contact the Claims Administrator at 1-877-241-7503 or Rick Nelson, a representative of Plaintiffs' Counsel at 1-800-449-4900. You can also fill out and return the Proof of Claim form enclosed with this Notice.

WHAT IS THE MONETARY VALUE OF THE PROPOSED SETTLEMENT?

The Settlement, if approved, will result in the creation of a cash settlement fund of \$9,837,500 (the "Settlement Amount"). The Settlement Amount, plus accrued interest (the "Settlement Fund") and minus the costs of this Notice and all costs associated with the administration of the Settlement, as well as any attorneys' fees, expenses, and payment to Plaintiffs for their time and expenses in representing the Class that may be approved by the Court (the "Net Settlement Fund"), will be distributed to Class Members pursuant to the Plan of Allocation that is described in the next section of this Notice.

Plaintiffs estimate that there are approximately 12,845,000 shares of A10 common stock which may have been damaged during the period March 21, 2014 through January 29, 2015 (the "Class Period"). Plaintiffs estimate that the average recovery under the Settlement is roughly \$0.76 per damaged share before notice and administration costs and the attorneys' fee and expense award as well as payments to the Plaintiffs

for their time and expenses in representing the Class as determined by the Court. Should the Court award the requested attorneys' fees of 25% of the Settlement Fund (or \$2,459,375), Plaintiffs' Counsel's expenses of up to \$175,000, awards of \$2,500 to each Plaintiff for his or its representation of the Class and the maximum estimated cost of notice and administration of the Settlement of \$375,000, the average per share recovery would be approximately \$0.53. Using certain estimates of the number of claims that are going to be filed (30%) and the number of estimated claims that are going to be valid (70% of the 30%), it is estimated that approximately 2,700,000 shares will participate in the Settlement and the average recovery will be approximately \$2.52 per share. Of course, these are just estimates; a Class Member's actual recovery will be a proportion of the Net Settlement Fund determined by that claimant's recognized claim as compared to the total recognized claims submitted. An individual Class Member may receive more or less than this average amount depending on the number of claims submitted, when during the Class Period a Class Member purchased or acquired A10 common stock, the purchase or acquisition price paid, and whether those shares were held at the end of the Class Period or sold during the Class Period, and, if sold, when they were sold and the amount received. See the Plan of Allocation below for more information on your recognized claim.

WHAT IS THE PROPOSED PLAN OF ALLOCATION?

Your share of the Net Settlement Fund will depend on the number of valid Proofs of Claim that Class Members send in and how many shares of A10 common stock you purchased or acquired during the relevant period and when you bought and sold them.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of Allocation, Lead Counsel conferred with their damages consultant and the Plan of Allocation reflects an assessment of damages that they believe could have been recovered had Plaintiffs prevailed at trial.

In the unlikely event there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

The calculation of claims below is not an estimate of the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. A claim will be calculated as follows:

Claims for the March 21, 2014 Initial Public Offering

- Initial Public Offering Price: \$15.00 per share
- Closing price on the date the lawsuit was filed²: \$4.70 per share

For shares of A10 common stock purchased or otherwise acquired pursuant to and/or traceable to the Company's March 21, 2014 registration statement, on March 21, 2014 through July 30, 2014, and

- 1) sold prior to July 31, 2014, the claim per share is \$0.
- 2) sold on or between July 31, 2014, through October 7, 2014, the claim per share is the least of (i) the Purchase Price per share less the Sales Price per share, or (ii) \$15.00 less the Sales Price per share, or (iii) \$2.13 (7/31/14 Price Decline).
- 3) sold on or between October 8, 2014, through January 28, 2015, the claim per share is the least of (i) the Purchase Price per share less the Sales Price per share, or (ii) \$15.00 less the Sales Price per share, or (iii) \$5.48 (7/31/14 and 10/8/14 Price Declines).
- 4) retained at the close of trading on January 28, 2015, or sold on or after January 29, 2015, the claim per share is the least of (i) the Purchase Price per share less \$4.70, (ii) the Purchase Price per share less the Sales Price per Share, or (iii) \$5.48 (7/31/14 and 10/8/14 Price Declines).

For shares of A10 common stock purchased or otherwise acquired pursuant to and/or traceable to the Company's March 21, 2014 registration statement, on July 31, 2014 through September 17, 2014 (Date prior to Lock-up Expiration), and

- 1) sold prior to October 8, 2014, the claim per share is \$0.
- 2) sold on or between October 8, 2014, through January 28, 2015, the claim per share is the least of (i) the Purchase Price per share less the Sales Price per share, or (ii) \$15.00 less the Sales Price per share, or (iii) \$3.35 (10/8/14 Price Decline).
- 3) retained at the close of trading on January 28, 2015, or sold on or after January 29, 2015, the claim per share is the least of (i) the Purchase Price per share less \$4.70, (ii) the Purchase Price per share less the Sales Price per Share, or (iii) \$3.35 (10/8/14 Price Decline).

In the event a Class Member has more than one purchase, acquisition, or sale of A10 common stock during the Class Period, all purchases, acquisitions, and sales within the Class Period shall be matched on a First-In, First-Out ("FIFO") basis for purposes of calculating a claim. Under the FIFO method, Class Period sales will be matched in chronological order against A10 common stock purchased or acquired during the Class Period.

²The first complaint was filed on January 29, 2015.

A purchase, acquisition, or sale of A10 common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. All purchase, acquisition, and sale prices shall exclude any fees and commissions. The receipt or grant by gift, devise or operation of law of A10 common stock during the Class Period shall not be deemed a purchase, acquisition, or sale of A10 common stock for the calculation of a claimant’s recognized claim nor shall it be deemed an assignment of any claim relating to the purchase or acquisition of such shares unless specifically provided in the instrument of gift or assignment. The receipt of A10 common stock during the Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase, acquisition, or sale of A10 common stock.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. No Person shall have any claim against Plaintiffs, Plaintiffs’ Counsel, any claims administrator, any other Person designated by Plaintiffs’ Counsel, Defendants, Defendants’ Related Persons, or counsel to Defendants or their Related Persons based on distributions made substantially in accordance with the Stipulation, the Plan of Allocation, or further orders of the Court.

Covering purchases during the Class Period for shares originally sold short will be excluded from the calculation of an Authorized Claimant’s recognized claim. In the event that there is a short position in A10 common stock, the date of covering a “short sale” is deemed to be the date of purchase of the stock. The date of a “short sale” is deemed to be the date of sale of the stock. The earliest Class Period purchases shall be matched against such short position, and not be entitled to a recovery, until that short position is fully covered.

With respect to A10 common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price of the stock is the exercise price of the option. Any recognized claim arising from purchases of A10 common stock acquired during the Class Period through the exercise of an option on A10 common stock shall be computed as provided for other purchases of A10 common stock in the Plan of Allocation.

The total of all profits shall be subtracted from the total of all losses from transactions during the Class Period to determine if a Class Member has a recognized claim. Only if a Class Member had a net market loss, after all profits from transactions in A10 common stock during the Class Period are subtracted from all losses, will such Class Member be eligible to receive a distribution from the Net Settlement Fund.

If an Authorized Claimant has an overall market gain, the recognized claim for that Authorized Claimant will be zero. If an Authorized Claimant has an overall market loss, that Authorized Claimant’s recognized claim will be limited to the amount of total market loss. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its recognized claim as compared to the total recognized claims of all Authorized Claimants. No distribution shall be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Class Members who do not submit acceptable Proofs of Claim will not share in the Settlement proceeds. The Settlement and the Final Judgment dismissing this Litigation will nevertheless bind Class Members who do not submit a request for exclusion and/or submit an acceptable Proof of Claim.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims administration process, to decide the issue by submitting a written request.

Defendants, their respective counsel, and all other Related Persons will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Plaintiffs and Plaintiffs’ Counsel, likewise, will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of un-cashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least six (6) months after the initial distribution of such funds shall be used: (a) first, to pay any amounts mistakenly omitted from the initial disbursement; (b) second, additional settlement administration fees, costs, and expenses, including those of Plaintiffs’ Counsel as may be approved by the Court; and (c) to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. These redistributions shall be repeated, if economically feasible, until the balance remaining in the Net Settlement Fund is *de minimis* and such remaining balance shall then be distributed to Bay Area Legal Aid.

MUST I CONTACT PLAINTIFFS’ COUNSEL IN ORDER TO PARTICIPATE IN DISTRIBUTION OF THE SETTLEMENT FUND?

No. If you have received this Notice and timely submit your Proof of Claim to the address designated on the Proof of Claim form accompanying this Notice, you need not contact Plaintiffs’ Counsel. If you did not receive this Notice but believe you should have, or if your address changes, please contact the Claims Administrator at:

THERE WILL BE NO PAYMENTS IF THE STIPULATION IS TERMINATED

The Stipulation may be terminated under several circumstances outlined in it. If the Stipulation is terminated, the Litigation will proceed as if the Stipulation had not been entered into.

WHAT ARE THE REASONS FOR SETTLEMENT?

The Court has not reached any final decisions in connection with Plaintiffs' claims against Defendants. Instead, Plaintiffs and Defendants have agreed to this Settlement, which was reached with the substantial assistance of the Hon. Layn R. Phillips (Ret.), a highly experienced mediator of complex class actions. In reaching the Settlement, the Settling Parties have avoided the cost, delay, and uncertainty of further litigation.

As in any litigation, Plaintiffs and the Class would face an uncertain outcome if they did not agree to the Settlement. The Settling Parties expected that the case could continue for a lengthy period of time and that if Plaintiffs succeeded, Defendants would file appeals that would postpone final resolution of the case. Continuation of the case against Defendants could result in a judgment greater than this Settlement. Conversely, continuing the case could result in no recovery at all or a recovery that is less than the amount of the Settlement.

Plaintiffs and Plaintiffs' Counsel believe that this Settlement is fair and reasonable to the Members of the Class. They have reached this conclusion for several reasons. Specifically, if the Settlement is approved, the Class will receive a significant monetary recovery. Additionally, Plaintiffs' Counsel believe that the significant and immediate benefits of the Settlement, when weighed against the significant risk, delay and uncertainty of continued litigation, are an excellent result for the Class.

WHO REPRESENTS THE CLASS?

The law firms of Robbins Geller Rudman & Dowd LLP, Labaton Sucharow LLP, and Scott + Scott, Attorneys at Law, LLP represent you and other Class Members. These lawyers are called Plaintiffs' Counsel. These lawyers will apply to the Court for payment of attorneys' fees and expenses from the Settlement Fund; you will not be otherwise charged for their work. If you want to be represented by your own lawyer, you may hire one at your own expense.

HOW WILL THE PLAINTIFFS' LAWYERS BE PAID?

Plaintiffs' Counsel will file a motion for an award of attorneys' fees and expenses that will be considered at the Settlement Fairness Hearing. Plaintiffs' Counsel will apply for an award of 25% of the Settlement Fund, plus payment of expenses incurred in connection with the Litigation in an amount not to exceed \$175,000. In addition, each of the Plaintiffs may seek payment of up to \$2,500 for their time and expenses incurred in representing the Class. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses.

The attorneys' fees and expenses requested will be the only payment to Plaintiffs' Counsel for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis. Plaintiffs' Counsel have committed significant time and expenses in litigating this case for the benefit of the Class. To date, Plaintiffs' Counsel have not been paid for their services in conducting this Litigation on behalf of the Plaintiffs and the Class, or for their expenses. The fees requested will compensate Plaintiffs' Counsel for their work in achieving the Settlement. The Court will decide what constitutes a reasonable fee award and may award less than the amount requested by Plaintiffs' Counsel.

CAN I EXCLUDE MYSELF FROM THE SETTLEMENT?

If you want to keep the right to sue or continue to sue Defendants on your own about the legal issues in this case, then you must take steps to get out of the Class. This is called excluding yourself from, or "opting out" of, the Class.

To exclude yourself from the Class, you must send a letter by mail saying that you want to be excluded from the Class in the following action: *In re A10 Networks, Inc. Shareholder Litigation*, Lead Case No. 1-15-CV-276207. Be sure to include your name, address, telephone number, and sign the letter. You should also include the number of shares of A10 common stock you purchased or acquired that are subject to the Litigation. Your exclusion request must be **postmarked no later than December 14, 2016** and sent to the Claims Administrator at:

EXCLUSIONS
Claims Administrator
c/o A.B. Data, Ltd.
P.O. Box 173012

You cannot exclude yourself by phone or by email. If you make a proper request for exclusion, you will not receive a Settlement payment, and you cannot object to the Settlement. If you make a proper request for exclusion, you will not be legally bound by anything that happens in this lawsuit.

CAN I OBJECT TO THE SETTLEMENT, THE REQUESTED ATTORNEYS' FEES AND EXPENSES, THE REQUESTED PAYMENT OF COSTS AND EXPENSES TO PLAINTIFFS AND/OR THE PLAN OF ALLOCATION?

Yes. If you are a Class Member, you may object to the terms of the Settlement. Whether or not you object to the terms of the Settlement, you may also object to the requested attorneys' fees, costs and expenses, the payment to Plaintiffs for their time and expenses, and/or the Plan of Allocation. In order for any objection to be considered, you must file a written statement, accompanied by proof of Class membership, with the Court, and send to Lead Counsel *postmarked by December 14, 2016*. The Court's address is: Superior Court of California, County of Santa Clara, 191 North First Street, San Jose, CA 95113, and Lead Counsel's addresses are: Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, c/o Ellen Gusikoff Stewart; and Labaton Sucharow LLP, 140 Broadway, New York, NY 10005, c/o David J. Goldsmith. Attendance at the Settlement Fairness Hearing is not necessary; however, persons wishing to be heard orally at the Settlement Fairness Hearing are required to indicate in their written objection their intention to appear at the hearing and identify any witnesses they may call to testify and exhibits, if any, they intend to introduce into evidence. A Class Member who *does not* file a written objection may appear and object at the Settlement Fairness Hearing.

WHAT IS THE DIFFERENCE BETWEEN OBJECTING AND EXCLUDING MYSELF FROM THE SETTLEMENT?

Objecting is telling the Court that you do not like something about the proposed Settlement, the Plan of Allocation, Plaintiffs' Counsel's request for an award of attorneys' fees and expenses, or payment to Plaintiffs for their time and expenses in representing the Class. You can object *only* if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer applies to you.

HOW CAN I GET A PAYMENT?

In order to qualify for a payment, you must timely submit a Proof of Claim. A Proof of Claim is enclosed with this Notice or it may be downloaded at www.A10securitiessettlement.com. Read the instructions carefully, fill out the Proof of Claim, include all the documents the form asks for, sign it, and mail or submit it online so that it is *postmarked (if mailed) or received (if filed electronically) no later than February 10, 2017*. The Proof of Claim form may be submitted online at www.A10securitiessettlement.com. If you do not submit a valid Proof of Claim form, you will not receive a payment from the Net Settlement Fund; however, unless you expressly exclude yourself from the Class as described above, you will still be bound in all other respects by the Settlement, the Judgment, and the releases contained in them.

WHAT CLAIMS WILL BE RELEASED BY THE SETTLEMENT?

Unless you exclude yourself, you are staying in the Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants about the same issues in this case or about issues that could have been asserted in this case. It also means that all of the Court's orders will apply to you and legally bind you and you will release your Released Claims in this case against Defendants and their Related Persons. "Released Claims" shall collectively mean any and all claims (state or federal, including, but not limited to, claims arising under the federal securities laws, any rules or regulations promulgated thereunder, or otherwise, as well as Unknown Claims) against Defendants and their Related Persons, arising out of, relating to, or in connection with both (i) the facts, events, transactions, acts, occurrences, statements, representations, misrepresentations or omissions which were or could have been alleged in the Litigation or any forum by any of the Plaintiffs or any other Class Members, and (ii) the purchase or acquisition of A10 common stock pursuant and/or traceable to the Registration Statement and Prospectus issued in connection with A10's March 21, 2014 IPO. "Released Claims" further includes any and all claims arising out of, based upon or related to the Settlement or resolution of the Litigation, except for any alleged breaches of the Stipulation. Released Claims also excludes any of the claims asserted in *Hornung v. A10 Networks, Inc., et al.*, Case No. 15-cv-282286 (Santa Clara County Superior Court of California).

"Related Persons" means each of a Defendant's past, present or future parents, subsidiaries, affiliates, divisions and joint ventures, and their respective directors, officers, employees, partners, members, principals, agents, underwriters, insurers, co-insurers, reinsurers, controlling shareholders, attorneys, accountants or auditors, financial or investment advisors or consultants, banks or investment bankers, personal or legal representatives, predecessors, successors, assigns, spouses, heirs, related or affiliated entities, any entity in which a Defendant has a controlling interest, any member of an Individual Defendant's immediate family, or any trust of which any Individual Defendant is the settlor or which is for the benefit of any Defendant and/or member(s) of his family.

THE SETTLEMENT FAIRNESS HEARING

The Court will hold a Settlement Fairness Hearing on January 13, 2017, at 9:00 a.m., before the Honorable Peter H. Kirwan at the Superior Court of California, County of Santa Clara, 191 North First Street, San Jose, CA 95113, for the purpose of determining whether: (1) the Settlement of the Litigation for \$9,837,500 in cash should be approved by the Court as fair, reasonable, and adequate; (2) to award Plaintiffs' Counsel attorneys' fees and expenses out of the Settlement Fund; (3) to pay Plaintiffs for their time and expenses they incurred in representing the Class out of the Settlement Fund; and (4) the Plan of Allocation should be approved by the Court. The Court may adjourn or continue the Settlement Fairness Hearing without further notice to Members of the Class.
